

Read Easy is a National Charity which provides a free, friendly and confidential coaching service for adults wishing to develop their reading skills.

With 2.4 million adults in England alone who can barely read or cannot read at all, adult literacy is a huge and often hidden problem in the UK. That number means that as many as 1 in 7 UK adults struggle to read road signs, household bills, menus in restaurants or letters from school. They may be embarrassed to admit that reading is a problem, and yet the impact it has on their lives can be huge.

The Haringey branch has just been launched, and we're actively looking for people who would benefit from our service.

We are offering individuals two short (30 minute) sessions per week on a 1-1 basis. These will take place at a centre as near as possible to the individual's home (to be discussed). To apply, they need to be:

- A Haringey Resident and aged over 18
- Fluent enough in spoken English to understand the helper, and for the helper to understand them

The Read Easy coaching programme will continue, in agreement with both learner and coach, for as long as it takes to meet the needs of the learner.
