

Read Easy Waltham Forest

Read Easy is a National Charity which provides a free, friendly and confidential coaching service for adults wishing to develop their reading skills.

There are 2.4 million adults in England alone who can barely read or cannot read at all. That number means that as many as 1 in 7 UK adults struggle to read road signs, household bills, menus in restaurants or letters from school. But with the right support, it's never too late to learn. At Read Easy, we help adults build confidence and discover the joy of reading.

Read Easy Waltham Forest offers free, one-to-one support to help adults build their reading skills with confidence and dignity. It's private, friendly, and at their own pace—no pressure, no judgement. Just real support that can change lives.

We are offering individuals two 30-minute sessions per week and in a location convenient to the individual.

To apply, they need to:

- Live, work or regularly be in Waltham Forest
- Speak fluent enough English to understand the coach, and for the coach to understand them

The Read Easy coaching programme will continue, in agreement with both learner and coach, for as long as it takes to meet the needs of the learner. Please refer people to our coordinator, contact information below.
